

Issue 2014 June

June always arrives with so much to celebrate yet somehow it is bittersweet...They came to us in September, eyes sparkling in KG, energy bursting in elementary, confidence booming soon after that, and a sense of knowing unraveling in the upper grades...9 months after the first day, they would discover a new world, achieve new milestones, embrace their differences, and on one special night, those of them who started in September with so much anticipation for their final year with us, our class of 2014...they wowed us at graduation, igniting mixed feelings of joy to see them move on, and sadness to watch them walk away...
