

Issue 2013 April

In 1980 there were 7... this grew to a humble 9 in 1981... I was there... this year there will be 345 of them from our schools in Dubai... Over our history, we have seen over 3500 march off our stage and take on the world. We have followed their tracks to universities, and then found them in all the walks of life... entrepreneurs, executives, doctors, artists, researchers, politicians, film directors, developers, pilots... and even explorers forever keen on blazing new trails... We know of tragedies and success stories and that is the way
