The collaboration enables the experienced in-house research team at Maven to support AMSI's Human Capital Team in their recruitment strategies, assist in the continuous development programs, and provide them with highly bespoke solutions.

The MOU was signed at the new Al Mawakeb Al Khawaneej by Mrs. Alissar Nasr Soubra, Chief Academic Officer at AMSI and Mr. Stephen Barker,
Founding Partner of Maven Partners Middle East
.

"At Maven Partners, we place huge emphasis on our client relationships and to achieving tangible results that will make a positive difference to an organization. We also aim to add detailed knowledge, integrity, fun and expertise to every process that we manage.

Maven Partners are proud to be named as AMSI's trusted recruitment partner and we look forward to our continued collaborations as we work together in the future to achieve common goals and milestones," announced Mr. Barker.
